Content

This statement of work (SOW) document has been concluded by: **supplier**, hereinafter referred to as "XXX", a limited liability company incorporated under the laws of The Netherlands with its registered office and place of business at **Street 00, 000 AA, Town, The Netherlands.**

And **Laurens van Lieshout Consultancy**, hereafter referred to "LICON" a sole proprietorship incorporated under the laws of the Netherlands with its registered office and place of business at Vaanakker 52, 5731 JN Mierlo, The Netherlands.

Background

Knowledge of manufacturability is essential in product development. With the Manufacturing Technology Conference, you can give your knowledge about manufacturability a boost or look for possibilities that did not exist before..

LICON has much experience and knowledge in realizing complex projects. During these projects, the manufacturability aspect of the design has been crucial for the successful realization of these projects. This acquired knowledge is transferred to the supplier in this SOW. For more info, see: <https://lieshoutconsultancy.nl> under White papers and Books.
